

FORM FOR EMPLOYERS

INSTITUTION AGH University of Science and Technology

CITY Krakow

POSITION assistant

DISCIPLINE energy engineering

POSTED

EXPIRES: 3rd November 2017

WEBSITE www.uci.agh.edu.pl/konkursy

KEY WORDS

Mathematical and numerical modelling of heat and mass transfer.

DESCRIPTION (field, expectations, comments):

Competition concerns the position of assistant, involves research and teaching tasks in the field of mathematical and numerical modelling of heat and mass transfer.

The candidate must have a Ph.D. degree in the discipline of energy engineering or should finish in 2018 PhD thesis in the discipline of Energy Engineering.

The candidate should have the knowledge of mathematical and numerical modelling of heat and mass transport.

The candidate should have experience in the research at international universities. The candidate should have excellent communication skills, particularly in written and spoken English.
