

FORM FOR EMPLOYERS

INSTITUTION:**AGH University of Science and Technology**.....

CITY:.....**Cracow**.....

.

POSITION:**adjunct – scientific researcher**.....

DISCIPLINE:**Physics**.....

POSTED:

EXPIRES:

WEBSITE:

KEY WORDS: **spintronics, spin Hall effect, spin-orbit coupling,
antiferromagnetism, thin magnetic films**

Requirements:

- doctor of physics in the field of solid state physics received no earlier than seven years ago,
- knowledge in theoretical and experimental spintronics as well as low dimension magnetism (thin films) problems, documented with articles in journals indexed in JCR,
- experience in research activities documented by job history (or internships) in universities or research institutes,
- active participation in conferences and symposia
- at least B2 level (CEFR scale) in spoken and written English,
- ability to write scientific reports and publications in English,
- ability to work in a project team environment,
- undoubted ethic attitude.
