

FORM FOR EMPLOYERS

INSTITUTION: **Faculty of Geology, Geophysics and Environment Protection**

CITY: **Kraków**

POSITION: **associate professor**

DISCIPLINE: **geology**

POSTED ON:

EXPIRES: **16 February 2018**

WEBSITE: **<http://www.uci.agh.edu.pl/konkursy>**

KEY WORDS: sedimentology, biostratigraphy, carbonate rocks diagenesis

REQUIREMENTS (field, expectations, comments):

- postdoctoral degree in the field of natural sciences in the discipline of geology,
- published research in the field of carbonate rock sedimentology, including microfacies analysis, sequence stratigraphy, biostratigraphy, and carbonate rocks diagenesis,
- at least one research grant in the last five years as a supervisor (e.g. NCN (The National Science Centre), NCBiR (The National Centre for Research and Development), ministerial and other projects),
- h-index (without auto-citations) at least $h = 5$, number of citations without auto-citations above 80 (according to Web of Sciences, core collection)
- active participation in international conferences and symposia over the last 5 years,
- supervision of completed or at least one opened doctoral conferment procedure or the publication of a monograph or textbook (alternatively a textbook chapter),
- conducting full-time didactic classes, including lectures and exercises in the field of geological cartography, sedimentology, geomorphology and quaternary geology,
- positive periodic evaluation or positive reference from previous worksite.

The candidates applying for the position mentioned should submit **16 February 2018** to the Dean's Office, Faculty of Geology, Geophysics and Environment Protection, AGH-UST (30-059 Kraków, al. Mickiewicza 30, A-0 building, higher ground floor, office no. 20), the following documents:

- cover letter, curriculum vitae,
- personal questionnaire,
- copy of the appointment of professorship or copy of postdoctoral diploma,
- list of scientific publications,
- information related to teaching activities,
- statement that AGH University will be the primary place of work,
- annex to the application set forth in Circular No. 6/2017 of the Rector of the AGH University of Science and Technology of July 24, 2017.
