

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Science and Technology, Faculty of Foundry Engineering

CITY: Krakow

POSITION: Associated professor

DISCIPLINE: metallurgy, in foundry engineering field

POSTED: 22.01.2018

EXPIRES: 16.02.2018

WEBSITE: <http://www.foundry.agh.edu.pl/>

KEY WORDS: materials chemistry, materials engineering, polymers and polymer binders for Foundry, testing of physical and chemical properties of polymeric materials

DESCRIPTION (field, expectations, comments):

REQUIREMENTS:

- education level: habilitation in the discipline of metallurgy
- research interests in the field: materials chemistry, material engineering, polymers and polymer binders for Foundry, testing the physico-chemical properties of polymeric materials,
- significant scientific achievements in this field at his present position with particular emphasis on the period after habilitation,
- being a supervisor at least of one PhD student,
- experience in teaching (lectures and laboratories)

- achievements in education of researchers,
- achievements in managing research teams,
- ethical behavior (according to www.agh.edu.pl – documents – „Code of Ethics”).

COMMENTS:

Interested applicants are requested to submit, within the deadline of 16th February 2018, the following documents in the Dean's Office of Faculty of Foundry Engineering (Reymonta Street 23, room 124 D-8):

- letter of application,
- Curriculum Vitae,
- copies of diplomas and other evidence of formal qualifications,
- authorette - Information about applicant's scientific, teaching and organization activities (list of publications, education programs, national and international projects) taking into account the period after the habilitation,
- list of publications,
- a positive opinion about the current work (recommendation letter),
- personal questionnaire (attachment No 1 to AGH Rector Circular no. 3/2017 of 13 April 2017)

The following clause should be added to CV: "I hereby agree for my personal data, included in my job application, to be processed in line with the needs of the recruitment, in accordance with the Law on Personal Data Protection of 29 August 1997 (Law Gazette from 2016, No.0, heading 922)."
