

FORM FOR EMPLOYERS

INSTITUTION : AGH University of Science and Technology, Faculty of Mechanical Engineering and Robotics

CITY: Cracow

POSITION: Assistant Professor

DISCIPLINE: Mechanics

POSTED

EXPIRES: 11.05.2018

WEBSITE : www.agh.edu.pl/konkursy

KEY WORDS : acoustics, vibroacoustics

DESCRIPTION (field, expectations, comments):

- PhD degree in the discipline of Mechanics , specialization: Vibroacoustics
- Master of science degree in mechanics and mechanical engineering, specialization: Vibroacoustics, sound engineering, acoustic engineering or related
- Secondary music education
- Additional training in the sound engineering
- Current scientific publication in acoustics and psychophysics
- Active participation in scientific conferences and symposia
- At least 5 years of experience in teaching in the field of acoustics and sound engineering
- Experience in working with people with disabilities
- Documented work placement (one month minimum)
- Documented teaching qualifications
- Advanced knowledge of multi-track sound editing programmes and engineering software such as: LabView, Matlab, Statistica, CATT Acoustics, AutoCAD
- Documented knowledge of English at least B2 level confirmed by Department of Foreign Languages AGH University of Science and Technology
