

## **FORM FOR EMPLOYERS**

**INSTITUTION AGH University of Science and Technology, Faculty of Materials  
Science and Ceramics**

**CITY Krakow**

**POSITION assistant**

**DISCIPLINE Materials Engineering**

**POSTED .....**

**EXPIRES : 6.06.2018**

**WEBSITE [www.uci.agh.edu.pl/konkursy](http://www.uci.agh.edu.pl/konkursy)**

**KEY WORDS materials science, biomaterials, tissue engineering**

**DESCRIPTION (field, expectations, comments):**

- PhD in Materials Engineering or advanced PhD dissertation
- publications in the area of materials science, in particular design, development and characterization of biomaterials,
- didactic experience, in particular in the area of biomaterials science, biomedical materials, and biomaterials characterization methods,
- experience in the biological characterization of biomaterials using cell culture,
- experience in the operating of equipment for biomaterials characterization (for testing of mechanical, thermal, surface properties, etc.)
- international research experience as a visiting scientists in the biomaterials research centres,
- English language proficiency – level B2,
- observing widely accepted ethical norms.
