

UNIVERSITY  
OF WARSAW

CeNT CENTRE  
OF NEW  
TECHNOLOGIES

## JOB OFFER

Position in the project:	Technology Officer
Scientific discipline:	Physical sciences
Job type (employment contract/stipend):	Contract
Number of job offers:	1
Remuneration/stipend amount/month ("X0 000 PLN of full remuneration cost, i.e. expected net salary at X 000 PLN"):	27000 PLN/month full remuneration cost
Position starts on:	01.12.2018
Maximum period of contract/stipend agreement:	until 30 April 2023
Institution:	Centre of New Technologies, University of Warsaw
Project leader:	Konrad Banaszek
Project title:	Quantum Optical Technologies
Project description:	<p>Project is carried out within the International Research Agenda Programme (IRAP) of the Foundation for Polish Science</p> <p>The aim of the project is to establish the Centre for Quantum Optical Technologies whose mission is the exploration of specifically quantum phenomena, such as superpositions and entanglement, to develop new modes of quantum information processing and transmission, metrology, sensing, and imaging with long-term prospects of their practical utilisation.</p>
Key responsibilities include:	<ul style="list-style-type: none"><li>i. Support of innovation activities conducted in QOT IRAP Unit;</li><li>ii. Developing the innovation strategy for QOT IRAP Unit;</li><li>iii. Preparation of descriptions of patent applications for inventions created in the QOT IRAP Unit;</li><li>iv. Conducting research on patentability of inventions created in the QOT IRAP Unit;</li><li>v. Responsibility for building relationships with industrial partners interested in research carried out at the QOT IRAP Unit;</li></ul>

	<p>vi. Participation in the preparation of applications for public and private funding for the further development of research initiated in the QOT IRAP Unit;</p> <p>vii. Training and acquisition of the knowledge by the members of the QOT project team in the field of intellectual property protection and entrepreneurship.</p>
Profile of candidates/requirements:	<p>i. Ph.D. in physical sciences (physics, chemistry, materials science or related disciplines);</p> <p>ii. Polish Patent Attorney (having or willing to obtain European Patent Attorney will be considered an additional advantage);</p> <p>iii. At least two years of industrial experience;</p> <p>iv. Good written and oral communication skills in English;</p> <p>v. Good group/collaborative work skills, self-motivation and experience in protecting of Intellectual Property Rights;</p> <p>vi. Knowledge of the field of quantum optical technologies will be considered additional advantage.</p>
Required documents:	<p>i. curriculum vitae;</p> <p>ii. motivation letter;</p> <p>iii. supporting statement specifying how the candidate meets the search criteria and can contribute to the operation of the IRAP QOT Unit at large;</p> <p>(document should be sent as pdf files attached to a single e-mail message)</p>
We offer:	<p>i. Participation in an exciting research program conducted within a newly established centre of excellence in quantum technologies;</p> <p>ii. Work in close collaboration with centre's theoretical and experimental groups in an open and friendly environment;</p> <p>iii. Close collaboration with foreign institutions, in particular, with the University of Oxford (UK)—the strategic partner of the QOT IRAP Unit.</p> <p>iv. Opportunities to personal development related to this position such as best practices knowledge exchange visit at the University of Oxford.</p>
Please submit the following documents to:	E-mail address: qot@cent.uw.edu.pl Please use "Technology Officer application" in the title of the message
Application deadline:	22 November 2018

To allow us to process your data, please include the following statement in your application:

“I hereby consent to have my personal data processed by the University of Warsaw with its registered office at ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw. I have been informed of my rights and duties. I understand that provision of my personal data is voluntary.”

In accordance with Article 13 of REGULATION (EU) 2016/679 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data – general regulation on data protection (Official Journal of the EU L 119/1 of 4 May 2016) the University of Warsaw informs that:

1. The administrator of your personal data is the University of Warsaw with its registered office at Krakowskie Przedmieście 26/28, 00-927 Warszawa, e-mail: iod@adm.uw.edu.pl;
2. The Administrator has designated the Data Protection Officer who supervises the processing of personal data, and who can be contacted via the following e-mail address: iod@adm.uw.edu.pl;
3. Your personal data will be processed for the purpose of carrying out a recruitment process and selecting an employee and concluding a contract for employment at the University of Warsaw;
4. The provided data will be processed pursuant to Article 22(1) § 1 of the Act of 26 June 1974 Labour Code (uniformed text: Dz.U. of 2018, item 917) and your consent for processing of personal data;
5. Provision of data in the scope stipulated in the Labour Code is mandatory (this is: name(s) and surname, parents' first names, date of birth, address of residence, correspondence address, education, previous employment);
6. The remaining data are processed according to your consent for processing of personal data;
7. The data will not be shared with any external entities, except for the cases provided for by law;
8. The data will be stored until you withdraw your consent for processing of personal data;
9. You have the right to access your personal data, rectify, erase, restrict its processing and to withdraw the consent at any time – the withdrawal of consent to processing data should be done in written form, acceptably by e-mail sent to hr@cent.uw.edu.pl;
10. You have the right to lodge a complaint to the President of the Office for the Protection of Personal Data;
11. Your application will be archived and stored for auditing purposes;
12. The name of the selected candidate/s will be made public on the CeNT UW website in accordance with the requirements of the funding agency.
