

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Electrical Engineering, Automatics, Computer Science, and Biomedical Engineering

CITY: KRAKOW

POSITION: two assistants in a group of research and teaching staff

DISCIPLINE: information and communication technology

EXPIRES: 22.02.2024

WEBSITE: <https://www.agh.edu.pl/o-agh/praca-w-agh>

KEY WORDS: IT, Computer Science and Intelligent Systems, artificial intelligence, machine learning

DESCRIPTION (field, expectations, comments, requirements):

Completed second-cycle studies in Computer Science or a related field (preferred specializations in Artificial Intelligence). Predispositions to scientific work documented by scientific achievements or design and implementation achievements from professional work. An advantage is documented participation in student scientific clubs. Professional and/or scientific achievements in the field of computer science and intelligent systems, artificial intelligence, data analysis and machine learning methods - the project and/or publication portfolio is assessed. Experience in research projects in the field of computer science and intelligent systems. Knowledge of issues in the field of artificial intelligence and intelligent systems, data analysis and machine learning methods. Programming experience in data analysis and programming of intelligent systems. Experience in conducting teaching classes, in particular conducting design or laboratory exercises, is welcome. Knowledge of English at least B-2 level is required, enabling the analysis and editing of scientific texts and conducting teaching classes. Knowledge of the Polish language is required to the extent that allows: preparing teaching materials (instructions, scripts), creating project documentation and conducting teaching classes (laboratories, lectures); candidates who are not Polish citizens should attach a certificate of knowledge of the Polish language at least level C-1. Predispositions and passion for scientific and teaching work.

DOCUMENTS REQUIRED:

- 1) application, cv, personal questionnaire,
- 2) copies of diplomas and other documents confirming qualifications,
- 3) an opinion confirm the candidate's predispositions for scientific and teaching work,
- 4) a document certifying knowledge of English at the level of at least B-2 within the meaning of the Common European Framework of Reference for Languages of the Council of Europe,
- 5) candidates who are not Polish citizens - a document confirming knowledge of the Polish language at least at the C-1 level.

DOCUMENTS MUST BE SUBMITTED AT:

Complete documentation must be sent to the following email address: kis@agh.edu.pl or sent to the address: Faculty of Electrical Engineering, Automatics, Computer Science, and Biomedical Engineering Secretariat of the Department of Applied Computer Science (30-059 Kraków, al. Mickiewicza 30, building C2 room 406).

The AGH University of Krakow will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
