FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Geo-Data Science, Geodesy, and Environmental Engineering.

Department of Photogrammetry Remote Sensing of Environment and Spatial Engineering

CITY: KRAKOW

POSITION: Assistant Professor in a group of research and teaching staff

DISCIPLINE: Civil Engineering, Geodesy and Transport

EXPIRES: 20.03.2024

WEBSITE: https://www.agh.edu.pl/o-agh/praca-w-agh

KEY WORDS: civil engineering, geodesy, transport, research, teaching, assistant professor

DESCRIPTION (field, expectations, comments, requirements):

The Dean of the Faculty of Geo-Data Science, Geodesy, and Environmental Engineering at AGH University of Krakow announces a competition for the position of:

• Assistant Professor in the research and teaching staff group in the DEPARTMENT of Photogrammetry Remote Sensing of Environment and Spatial Engineering. The candidate should meet the conditions specified in the Act of July 20, 2018 - Law on Higher Education and Science (Journal of Laws of 2023, item 742, as amended, hereinafter referred to as the Act). Terms of employment and salary according to the applicable Act.

REQUIREMENTS:

- 1) doctoral degree in Civil Engineering, Geodesy and Transport Discipline (formerly Geodesy and Cartography),
- over 5 years of experience in conducting interdisciplinary research in remote sensing, GIS, and environmental monitoring.
- 3) supervisor of master's theses and co-supervisor of at least 3 doctoral dissertations,
- 4) experience in implementing and leading at least 2 research or research-development projects funded trough national or international competitions (e.g., National Centre for Research and Development [NCBiR] and/or National Science Centre [NCN])
- 5) experience in conducting teaching activities, including in English,
- 6) experience in conducting training and workshops, especially in the context of geodesy and information technology,
- 7) scientific publications in the given discipline in international journals,
- 8) experience in international cooperation and maintaining contacts with foreign scientific and educational cen-
- 9) activity in submitting proposals aimed at obtaining external funding for research and development,
- 10) active participation in national and international conferences and symposia,
- qualifications and experience in knowledge and technology transfer between the academic sector and industry,
- 12) additional education in the fields of computer science and/or Earth sciences in preferred,
- 13) English language skills at least B2 level.

DOCUMENTS REQUIRED:

- 1) application, cv, personal questionnaire,
- 2) certified copy of higher education diploma,
- 3) certified copy of the document confirming the award of a doctoral degree,
- 4) document certifying language proficiency at least at B2 level,
- 5) documents confirming all possessed competences, qualifications, experience, and leading and participation in research projects, a list of submitted proposals in competitions, training certificates,
- 6) list of scientific achievements (list of scientific publications and list of reports at national and international conferences).

DOCUMENTS MUST BE SUBMITTED AT:

Complete documentation must be sent to the following email address: elatom@agh.edu.pl or sent to the address: Faculty Geo-data Science, Geodesy, and Environmental Engineering, AGH University of Krakow, 30-359 Kraków, al. Mickiewicza 30, building C-4, room 113.

The AGH University of Krakow will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (https://www.agh.edu.pl/en/personal-data-protection).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
