DESCRIPTION (field, expectations, comments, requirements):

The Faculty of Humanities at AGH University of Science and Technology is hiring for the position of Associate Professor in the Department of Information Technologies and Media. We are seeking an experienced researcher with a significant scientific background in the field of game studies, analysis of new media, and human-technology relations.

REQUIREMENTS:

1. habilitated doctor degree in the field of cultural and religious studies or social communication and media studies or appropriate according to the previous classification of fields and disciplines,
2. scientific achievements including at least a series of thematically related scientific publications published in scientific journals or a scientific monograph or chapters in books, taken into account in the scientific evaluation
3. Significant scholarly achievements in the areas of game studies, analysis of new media and human-technology relations.
4. experience in research projects (managing research projects), including implementation-oriented projects,
5. experience in academic level teaching, including lectures and seminars,
6. substantial scientific activities in collaboration with other universities or research institution, especially international ones - documented international cooperation (internships, scholarships, study visits, etc.),
7. experience in organizational work for a university (developing fields of study, managing teams, etc.),
8. documented knowledge of the English language at least B2 level (candidates who are not Polish citizens should show a certificate of proficiency of the Polish language at C1 level or higher).

DOCUMENTS REQUIRED:

1. application, CV, personal questionnaire,
2. copies of diplomas and other certificates confirming qualifications,
3. a document certifying knowledge of the English language at a level of at least B-2,
4. a list of publications, research projects, conferences, trainings sessions and internships, as well as teaching and co-teaching activities to date,
5. a short research proposal - a 3-5 page short description of a research project (including a research problem, objectives, research methods and their expected results), which the candidate may submit in the form of a grant application and implement as part of future employment at WH AGH.

DOCUMENTS MUST BE SUBMITTED:

Complete documentation must be sent to the following email address: aoleniacz@agh.edu.pl or sent to the address: ul. Czarnowiejska 36 bud. C-7 p. 509, 30-054 Kraków

The AGH University will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
