

INSTITUTION:	Gdańsk University of Technology, Department of Sanitary Engineering, Faculty of Civil and Environmental Engineering
CITY:	Gdańsk
POSITION:	Assistant professor
DISCIPLINE:	environmental engineering, mining and energy, chemical sciences
POSTED:	26-07-2024
EXPIRES:	25-08-2024
WEBSITE:	http://praca.pg.edu.pl/jobs/m/3404/en
KEYWORDS:	environmental engineering, chemical engineering, chemical technology, industrial biotechnology, lignocellulosic biomass, lignin degradation

TASKS/ ROLE

- scientific work focused on publishing in best worldwide scientific journals
- implementation of tasks in the area of research project
- presenting and discussing results within the research team
- presenting research results at national and international conferences and seminars

REQUIREMENTS

- a master's degree in biotechnology, preferable specialization in Molecular Biotechnology and Technical Biochemistry
- a PhD in the field of environmental engineering, mining and energy, chemical engineering, chemical sciences or a related discipline
- a documented scientific achievements in the form of publications in JCR-listed journals on advanced oxidation processes, applications of deep eutectic solvents and ionic liquids, chemical compounds toxicity, proteins and enzymes purification
- at least 3 years post-doc experience at the academic level
- experience in performing enzyme immobilization
- knowledge of enzymes and their characterization and improving their stability
- good knowledge of the English language
- experience working in international research projects and participation in international scientific conferences

ADDITIONAL REQUIREMENTS

Application for assistant professor position at the Department of Sanitary Engineering in OPUS research project

Please include following clause:

"In accordance with Article 6 (1) (a) of the General Data Protection Regulation of 27 April 2016 (EU Journal of Laws L 119, of 04.05.2016) (GDPR) I hereby agree to the processing of personal data included in my job offer by the Gdańsk University of Technology (Politechnika Gdańska), ul. Narutowicza 11/12, 80-233 Gdańsk for the purposes required for recruitment."

In accordance with Article 13 of the General Data Protection Regulation of 27 April 2016 (EU Journal of Laws L 119, of 04.05.2016) (GDPR) we hereby inform that:

- 1. The Data Controller presented in the job offer is Gdańsk University of Technology (Politechnika Gdańska), ul. Narutowicza 11/12, 80-233 Gdańsk (postal code: 80-233).*
 - 2. The Data Controller appointed the Data Protection Officer, who may be contacted via email address: – dpo@pg.edu.pl*
 - 3. Your personal data will be processed for purposes related to servicing the Employer portal of Gdańsk University of Technology in accordance with Article 6 (1) (a) RODO (consent).*
 - 4. Your personal data will be stored until the recruitment process is completed or when employment is terminated. After this time your personal data will be archived and stored for the period of 10 years.*
 - 5. Granting the consent for data processing is voluntary but necessary for recruitment purposes.*
 - 6. The data provided will not be made available to third parties. The recipients of the data will only be institutions authorized by law.*
 - 7. You have the right to request access to the content of your data and the right to rectify, supplement, delete or limit processing, the right to data portability, the right to object to the processing, and the right to withdraw consent at any time. Moreover, you have the right to file a complaint with the supervisory authority in charge of personal data protection (i.e. the President of the Personal Data Protection Office).*
 - 8. Your data will not be subject to profiling.*
 - 9. The Data Controller will not transfer any personal data to a recipient in a third country or an international organization.*
- The contest may be closed without selecting a candidate.
We will contact the selected candidates.
All the documents sent will not be returned.*
