KEY WORDS: Geodesy, Cadastre, Real Estate Management, Property Valuation

DESCRIPTION (field, expectations, comments):

The hired person will be responsible for conducting educational activities and participating in research conducted within the Department of Integrated Geodesy and Cartography.

The department currently conducts research related, among other things, to the impact of cadastral data quality on the broader real estate management and related fields, including property taxation, real estate valuation, and spatial planning.

Preferred candidates are individuals with publications in the fields of cadastre, real estate management, property taxation, and real estate valuation. Professional qualifications in geodesy and cartography (scope 1 or 2) or in real estate appraisal are required. Knowledge of statistical modeling tools and geodetic and geoinformation software will be an additional asset.

REQUIREMENTS:

- 1) Completed master's degree in "Geodesy and Cartography" or a related field,
- 2) Preferred doctoral degree,
- 3) At least 2 years of experience as an assistant in a research and teaching staff group,
- 4) Completed course in teaching improvement,
- 5) Professional qualifications in geodesy and cartography (scope 1 or 2) or in real estate appraisal,
- 6) Additional courses and training confirming professional qualifications,
- 7) Scientific achievements documented by publications in journals listed in the register of scientific journals and reviewed materials from international conferences, as announced by the Minister of Science,
- 8) Active participation in national and international scientific conferences or symposia,
- 9) Proficiency in English at a level of at least B2 (for candidates whose native language is not English),
- 10) Proficiency in Polish at a level of at least C1 (for candidates whose native language is not Polish),
- 11) Proficiency in statistical modeling tools and methods, geodetic and geoinformation software, and knowledge of legal regulations in the areas of cadastre, real estate management, real estate valuation, and property taxation.

The candidate must fulfil the following requirements defined in the Polish Law on Higher Education:

- possesses qualifications defined in the Law,
- has full legal capacity,
- has not been punished by final court judgement for intentional offence,
- enjoys full public rights.

DOCUMENTS REQUIRED:

- 1) application, CV, personal questionnaire,
- 2) list of scientific achievements,
- 3) copies of diplomas and other certificates confirming qualifications,

- 4) document confirming knowledge of English at a level of at least B2 (for candidates whose native language is not English),
- 5) document confirming knowledge of Polish at a level of at least C1 (for candidates whose native language is not Polish), in the case of foreigners, a document confirming knowledge of Polish at least at C-1 level.

DOCUMENTS MUST BE SUBMITTED:

Complete documentation must be sent to the following email address: elatom@agh.edu.pl or sent to the address: Sekretariat Biura Dziekana Wydziału Geodezji Górniczej i Inżynierii Środowiska, al. Adama Mickiewicza 30, 30-059 Kraków, paw. C4, p.113).

The AGH University will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.

Following the selection process, the candidate who qualified for employment is obliged to provide a certificate from the National Criminal Register (the criminal record certificate should be up-to-date, i.e. issued no sooner than 1 month before its submission at the AGH University) and shall be subject to the verification process in the Sex Offender Register - the Restricted Access Register.
