

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Space Technology Centre AGH University of Krakow

CITY: Krakow

POSITION: professor in a group of research staff

DISCIPLINE: materials engineering

POSTED: 21.01.2025

EXPIRES: 26.02.2025

WEBSITE <https://www.agh.edu.pl/o-agh/praca-w-agh>

KEY WORDS: materials for space, materials engineering, metals for space

DESCRIPTION (field, expectations, comments, requirements):

A full-time job for a professor in a group of research staff at the AGH Space Technology Centre.

The responsibilities of this position will include developing a research program based on innovative thinking and scientific excellence, complementary to the current specialized knowledge in the field of metals used in space, improving metal processing methods in space conditions, and advancing the applications of metals for space structures.

The person employed in this position will be responsible for an internationally focused research program involving the design and implementation of studies on the application of metals for space structures and space manufacturing. The responsibilities will also include securing funding for projects from both national and international sources, including financing from the space industry sector.

As part of the research activities, the selected candidate will develop international partnerships with scientific institutions and engage with industry stakeholders and partners, while also disseminating project results. The candidate should have experience in managing research teams.

Subject area: development of metal alloys used in space, improvement of metal processing methods in space conditions, advancement of metal applications for space structures

Full-time employment, fixed-term contract until 31.12.2025, with the possibility of extension, including permanent contract extension.

Planned employment from 10/03/2025.

REQUIREMENTS:

- 1) the title of professor in the field of engineering and technical sciences and a professional record entitling the candidate to be employed as a professor,
- 2) declared discipline of science: materials engineering,
- 3) documented significant scientific achievements in the area of in the field of materials engineering, metal processing,
- 4) documented research fellowship at a foreign university (outside the country of permanent employment) or another equivalent research unit (minimum period of 6 months),
- 5) experience in carrying out scientific-research projects,
- 6) experience in managing research projects,
- 7) experience in international cooperation,
- 8) participation in scientific conferences,
- 9) experience in managing research teams,
- 10) exemplary excellent ethical attitude
(accordant with: <https://www.agh.edu.pl/o-agh/dokumenty/inne/kodeks-etyczny-agh>),
- 11) knowledge of English at B-2 level at least.

Additional beneficial skills: documented, significant teaching experience

The candidate should meet the requirements set out in the Act of 20 July 2018 - Law on Higher Education and Science (i.e. 2023 Journal of Laws, item 742, as amended), hereinafter referred to as "the Act". Work and payment conditions as per the applicable Act.

To be considered a candidate you must meet the following requirements set out in the Act:

- 1) you hold the qualifications defined in the Act,
- 2) you have full capacity for juridical acts,
- 3) you have not been convicted for an intentional offence,
- 4) you enjoy full public rights.

DOCUMENTS REQUIRED:

- 1) CV,
- 2) a list of your scientific and organizational achievements, and - optionally - a list of your didactical achievements,
- 3) a document proving your residency at a foreign university or another equivalent research unit,
- 4) your consent to process your data in the recruitment process in accordance with the applicable law.

DOCUMENTS MUST BE SUBMITTED:

Complete documentation must be sent to the following email address: **ctk-hr@agh.edu.pl**

The AGH University will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
