

## FORM FOR EMPLOYERS

**INSTITUTION:** AGH University of Krakow

**DEPARTMENT:** Space Technology Centre AGH University of Krakow

**CITY:** Krakow

**POSITION:** professor in a group of research staff (composites)

**DISCIPLINE:** materials engineering

**POSTED:** 27.01.2025

**EXPIRES:** 26.02.2025

**WEBSITE** <https://www.agh.edu.pl/o-agh/praca-w-agh>

**KEY WORDS:** space technologies, materials engineering, composite materials technologies

**DESCRIPTION** (field, expectations, comments, requirements):

A full-time job for a professor in a group of research staff at the AGH Space Technology Centre.

Job responsibilities:

- to develop a research program based on innovative thinking and scientific excellence. The program needs to be complementary to the state of the art in the fields of modeling and simulation of the properties of new materials, new materials manufacturing technologies, and advancement of materials for satellite structures,
- leading a research program at an international level, focusing on the design and implementation of material technologies intended for exploration in the space environment,
- to apply for funding at national and international sources, including support from the space industry sector; as part of their research activities, they will foster international partnerships with academic institutions, stakeholders, and industrial partners.

Subject area: space technologies, materials for space applications, manufacturing technologies for composites designed for exploitation in space.

Full-time employment, fixed-term contract until 31.12.2025, with the possibility of extension, including permanent contract extension.

Planned employment from 10/03/2025.

### REQUIREMENTS:

- 1) the title of professor in the field of engineering and technical sciences and a professional record entitling the candidate to be employed as a professor,
- 2) declared field of science: Engineering and technology,
- 3) documented significant scientific achievements in the area of materials engineering, design and testing of composites,
- 4) documented research fellowship at a foreign university (outside the country of permanent employment) or another equivalent research unit (minimum period of 6 months),
- 5) experience in carrying out scientific-research projects,
- 6) experience in acquiring funds for scientific research projects and managing research projects,
- 7) experience in international cooperation,
- 8) participation in scientific conferences,
- 9) exemplary excellent ethical attitude (accordant with: [www.agh.edu.pl/o-agh/dokumenty/inne/kodeks-etyczny-agh](http://www.agh.edu.pl/o-agh/dokumenty/inne/kodeks-etyczny-agh)),
- 10) knowledge of English at B-2 level at least.

**Additional beneficial skills:** documented, significant teaching experience.

The candidate should meet the requirements set out in the Act of 20 July 2018 - Law on Higher Education and Science (i.e. 2023 Journal of Laws, item 742, as amended), hereinafter referred to as "the Act". Work and payment conditions as per the applicable Act.

### To be considered a candidate you must meet the following requirements set out in the Act:

- 1) you hold the qualifications defined in the Act,
- 2) you have full capacity for juridical acts,
- 3) you have not been convicted for an intentional offence,
- 4) you enjoy full public rights.

### DOCUMENTS REQUIRED:

- 1) CV,

- 2) a list of your scientific and organizational achievements, and - optionally - a list of your didactical achievements,
- 3) a document proving your residency at a foreign university or another equivalent research unit,
- 4) your consent to process your data in the recruitment process in accordance with the applicable law.

**DOCUMENTS MUST BE SUBMITTED:**

Complete documentation must be sent to the following email address: **ctk-hr@agh.edu.pl**

The AGH University will be the candidate's main place of employment.

*The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).*

*The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
