

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Space Technologies

CITY: Krakow

POSITION: adjunct in a group of research staff (space biology)

DISCIPLINE: biomedical engineering

POSTED: 10.04.2025

EXPIRES: 14.05.2025

WEBSITE <https://www.agh.edu.pl/o-agh/praca-w-agh>

KEY WORDS: living organisms in space, food production in space

DESCRIPTION (field, expectations, comments, requirements):

A full-time job as an adjunct in a group of research staff at the AGH Space Technology Centre.

The position will be tasked with developing a research programme based on innovative thinking and scientific excellence, complementary to the expertise currently available on the impact of space conditions on living organisms and on food production in space.

The person employed at this position will be responsible for the development of an international research programme in the field of biomedical engineering in space and food production in space, and for acquiring funding for the projects based on national and international funds, including funding from industry entities. As part of the research activities, he or she will develop international partnership cooperation with academic units, stakeholders and industry partners, and publicise the results of projects in the areas described above, and in particular in the area of organising research processes in international consortia and disseminating research results to the public

Subject area: impact of cosmic conditions on living organisms

Full-time employment, fixed-term contract until **31.12.2025**, with the possibility of extension, including permanent contract extension.

Planned employment from May-June 2025.

REQUIREMENTS:

- 1) PhD degree in the field of Engineering and technology and academic achievements conferring eligibility for employment as an adjunct,
- 2) declared discipline of science: biomedical engineering,
- 3) documented scientific achievements in the field of biomedical engineering, space technologies,
- 4) knowledge of issues related to the planning and implementation of manned space missions,
- 5) experience in carrying out scientific research projects,
- 6) experience in international cooperation,
- 7) participation in scientific conferences,
- 8) exemplary excellent ethical attitude (accordant with: www.agh.edu.pl/o-agh/dokumenty/inne/kodeks-etyczny-agh),
- 9) knowledge of English at B-2 level at least.

Additional beneficial skills:

documented teaching experience or completion of a pedagogical course.

To be considered a candidate you must meet the following requirements set out in the Act:

- 1) you hold the qualifications defined in the Act,
- 2) you have full capacity for juridical acts,
- 3) you have not been convicted for an intentional offence,
- 4) you enjoy full public rights.

DOCUMENTS REQUIRED:

- 1) CV,
- 2) a list of your scientific and organizational achievements, and - optionally - a list of your didactical achievements,
- 3) your consent to process your data in the recruitment process in accordance with the applicable law.

DOCUMENTS MUST BE SUBMITTED:

Complete documentation must be sent to the following email address: **wtk-hr@agh.edu.pl**

The AGH University will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
