

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Mechanical Engineering and Robotics

CITY: Cracow

POSITION: Research and Teaching Assistant

DISCIPLINE: Mechanical engineering

POSTED: 26th May, 2025

EXPIRES: 11th July, 2025

WEBSITE: . <https://www.agh.edu.pl/biuletyn-informacji-publicznej/konkursy-dla-nauczycieli-akademickich/>

KEY WORDS: calibration of measurement systems, programming of CNC, CMM machines, and 3D printers

DESCRIPTION (field, expectations, comments, requirements):

- 1) higher education degree in mechanical engineering,
- 2) knowledge of English at least at the B-2 level, if it is not your native language,
- 3) documented knowledge of Polish at C1 level, if it is not your native language,
- 4) experience in applying for grants and leading projects,
- 5) experience working on international projects,
- 6) active participation in conferences and symposia, including international ones,
- 7) significant scientific achievements confirmed by scientific publications in machining, including publications in journals with an Impact Factor (JCR list),
- 8) experience in conducting independent laboratory research in manufacturing, metrology, materials, and additive manufacturing,
- 9) completed courses and possession of certificates confirming the ability to program CNC and CMM machines,
- 10) ability to collaborate and work in research teams,
- 11) strong motivation to work and pursue scientific questions, creativity, and analytical thinking,
- 12) conducting classes in the field of manufacturing technologies and additive manufacturing,
- 13) conducting classes in English,
- 14) experience in research and co-authorship of scientific publications as part of international cooperation,
- 15) knowledge of additional foreign languages will be considered an asset.

To be considered a candidate you must meet the following requirements set out in the Act:

- 1) you hold the qualifications defined in the Act,
- 2) you have full capacity for juridical acts,
- 3) you have not been convicted for an intentional offence,
- 4) you enjoy full public rights.

DOCUMENTS REQUIRED

- 1) application, CV, personal questionnaire,
- 2) certificate confirming the knowledge of the language at a level of at least B-2, if it is not your native language,
- 3) document confirming knowledge of the Polish language at C1 level, if it is not your native language,
- 4) a copy of the Master diploma and copies of certificates of other qualifications,
- 5) list of scientific achievements (published papers, conference presentations),
- 6) list of grants submitted, including international grants,
- 7) list of ongoing research and development projects,
- 8) list of subjects and didactic classes,
- 9) certificate confirming completion of didactic course.

DOCUMENTS MUST BE SUBMITTED AT:

Competition documents addressed to the Department of Manufacturing Systems should be submitted in sealed envelopes (with the annotation "KSW Competition") at the Department of Manufacturing Systems, pavilion B4, room 205 until July /11/2025.

AGH UST is to constitute the candidate's primary workplace.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
