

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Humanities Department of Society and Technology Studies (KSSiT)

CITY: Krakow

POSITION: assistant professor **in a group of** research and teaching staff

DISCIPLINE: sociology

POSTED: 21.07.2025

EXPIRES: 01.09.2025

WEBSITE <https://www.agh.edu.pl/o-agh/praca-w-agh>

KEY WORDS: sociology, science and technology studies, social innovations

DESCRIPTION (field, expectations, comments, requirements):

- 1) at least a PhD degree in the field of social sciences in the discipline of sociology (or the corresponding disciplines in the previous classifications of fields and disciplines of science),
- 2) scientific achievements in the area of social research, including research on innovative organizations,
- 3) teaching achievements in the area of sociology, in particular concerning the topics of social aspects of technology, social innovation or inclusiveness,
- 4) organizational achievements,
- 5) documented active participation in scientific conferences and symposia,
- 6) teamwork skills within research teams and groups,
- 7) knowledge of English at least at B2 level within the meaning of the Common European Framework of Reference for Languages of the Council of Europe (candidates who are not Polish citizens should present a certificate of knowledge of Polish at least at C1 level),
- 8) willingness to be included in the number of employees conducting scientific activity in the discipline of sociological sciences (100% of working time devoted to conducting this activity),
- 9) research profile consistent with the profile of the Department of Society and Technology Studies. KSSiT specializes in studying interactions between science, technology and society. Currently, a significant part of the research is located in the area of science and technology studies, with particular emphasis on anthropology of infrastructures and feminist STS. Current research projects focus among others on energy transformation, generative AI, and human ecology, design studies (including gender design), disability studies, and public understanding of science. Many of the research projects are carried out in cooperation with engineering sciences. Within KSSiT we are interested not only in basic research, but also in applied research and designing social innovations.

A person who meets the following requirements specified in the Act may become a candidate:

- 1) has the qualifications specified in the Act,
- 2) has full legal capacity,
- 3) has not been punished by a final court judgment for an intentional crime,
- 4) enjoys full public rights.

DOCUMENTS REQUIRED:

- 1) application
- 2) CV with a list of scientific publications and research projects,
- 3) personal questionnaire according to the template,
https://csp.agh.edu.pl/home/csp/dokumenty/w_trakcie_zatrudnienia/po_angielsku/Kwestionariusz_osobowy_dla_osoby_ubiegajacej_sie_o_zatrudnienie_-_POL-ENG.docx
- 4) copy of PHD diploma, in the case of a foreigner or a person who has been continuously conducting scientific activity abroad for at least the last five years preceding the announcement of the competition, recognition statement from the application,
- 5) documents confirming knowledge of English at level B2 (in the absence of such documents, it is possible to take an exam organized by SJO AGH),
- 6) in the case of foreigners, a document confirming knowledge of Polish at level C1,
- 7) a short (up to 5 pages of standard typescript) proposal of research consistent with the KSSiT profile, which the candidate can carry out as part of employment at the Department or submit it as a grant proposal; the

proposal should include the scientific objective of the project, in particular the scientific hypotheses and the scientific problem the candidate will undertake to solve. The document should include significance of research, current state of research field, a research plan, methodology, and reference to key literature.

DOCUMENTS MUST BE SUBMITTED:

Complete documentation must be sent to the following email address: wh@agh.edu.pl

The AGH University will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
