

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Krakow

DEPARTMENT: Faculty of Energy and Fuels

CITY: Krakow

POSITION: assistant professor in a group of research and teaching staff

DISCIPLINE: environmental engineering, mining and energy

POSTED: 08.10.2025

EXPIRES: 07.11.2025

WEBSITE: www.agh.edu.pl

KEY WORDS: environmental engineering, numerical modeling, nuclear and ionizing radiation, modeling of pollutant dispersion and deposition

The competition is related to research in the area of:

- Numerical modeling
- Issues related to the environmental impact of the nuclear industry
- Physical foundations of nuclear energy

Requirements:

- 1) a doctoral degree in the field of engineering and technology, in the discipline of environmental engineering, mining and energy,
- 2) documented scientific achievements (list of publications) in the form of articles in international or national scientific journals and conference presentations,
- 3) teaching experience,
- 4) the candidate should have knowledge of modeling the spread of toxins, including radionuclides, in the atmosphere and the prediction of contamination deposition in the event of a nuclear power plant accident,
- 5) ability to use HYSPLIT (Hybrid Single-Particle Lagrangian Integrated Trajectories) software and statistical programs,
- 6) experience in internships, training, or practical training at a foreign research center, project and grant implementation, and grant application preparation are additional advantages,
- 7) organizational achievements,
- 8) active participation in conferences and symposia,
- 9) a predisposition to scientific work,
- 10) the candidate should have at least a B-2 level of English, sufficient to enable research work with foreign institutions and the preparation of scientific publications,
- 11) the candidate should have at least a B-2 level of Polish, sufficient to enable teaching,
- 12) the candidate should be willing to pursue further scientific development and work with software used in the nuclear industry, as well as the ability to solve problems.

A candidate may be a person who meets the following requirements specified in the Act on Higher Education:

- 1) has the qualifications specified in the Act,
- 2) has full legal capacity,
- 3) has not been punished by a final court judgement for an intentional crime,

4) enjoys full public rights.

DOCUMENTS REQUIRED:

- 1) a document confirming the possession of a doctorate in the scientific field of engineering and technology,
- 2) a document confirming the knowledge of the English language at the level of at least B-2,
- 3) application, CV, personal questionnaire,
- 4) a copy of diplomas and other certificates confirming the qualifications held,
- 5) information on scientific activities and symposia,
- 6) information on teaching and organizational activities,
- 7) list of publications.

DOCUMENTS MUST BE SUBMITTED AT:

The documents should be submitted in electronic form to the following address konkursy-weip@agh.edu.pl, with a note KEJIR_ assistant professor or to the Secretariat of the Office of the Dean of the Faculty of Energy and Fuels, AGH, al. Mickiewicza 30, 30-059 Krakow, building D-4, 1st floor, room 119, phone: 12 617 20 66.

The AGH University of Krakow will be the candidate's main place of employment.

The AGH University of Krakow does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications, and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the AGH University of Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read all information concerning the processing of your personal data on the website of the AGH University of Krakow after going to the "Personal data protection" tab (<https://www.agh.edu.pl/en/personal-data-protection>).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
