Assistant in the Research Staff Group (F/M), Faculty of Technical Physics, Information Technology, and Applied Mathematics, Institute of Physics

Lodz University of Technology is one of the finest universities of technology in Poland. Its tradition and experience in training professionals and conducting research date back 80 years. It is an attractive partner for business. It cooperates with the largest national and international corporations. It conducts research of a European standard, develops new technologies and creates innovation in collaboration with the leading research centers all over the world. One of the pillars of Lodz University of Technology management is equal treatment of staff regardless of their gender, age, race or other demographic and social characteristics. In 2016, TUL was the first technical university in Poland to receive the HR Excellence in Research award certifying that the University adheres to the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

1. Candidate Requirements:

- The candidate should hold a PhD degree in the field of exact and natural sciences
- have more than four years of scientific experience
- have authored or co-authored at least five articles published in JCR-indexed scientific journals within the last five years
- have experience in conducting numerical studies related to the simulation of physical phenomena in photonic and/or optoelectronic devices, with programming skills in Python and experience with visualization data software considered an additional asset

2. Employment Conditions:

- Recruitment for Assistant positions within project no. FENG.01.01-IP.01-A0ZA/25-00, titled: "A new type of hazardous gas analyzer based on photonic and optoelectronic components ". Project under the Foundation for Polish Science (FNP) TEAM NET FENG program (Action 2.3 TEAM NET).
- Employment type: full-time employment contract for a fixed term – for the duration of the project.
- Base salary: 7,070 PLN gross.
- Expected start date: June 8, 2026.

3. Description of Expected Tasks and Responsibilities for the Two Positions:

An Assistant researcher with experience in semiconductor device physics and numerical modeling will be employed. The candidate is expected to have experience in conducting numerical simulations using computational packages such as PLASK, RPSMES, as well as the ability to analyze and interpret experimental and simulation results. The candidate should be able to prepare scientific reports and present research results publicly in English, and demonstrate the ability to work effectively as part of a team.

Throughout all stages of the project, the Assistant researcher will be involved in activities related to the design of vertical-cavity surface-emitting lasers.

Planned employment in the FENG.01.01 SMART Path project led by Prof. Tomasz Czyszanowski, PhD, DSc, Eng.

Umowa o dofinansowanie nr: **FENG.01.01-IP.01-A0ZA/25-00**

Politechnika Łódzka

4. List of Required Documents:

1. Application for employment addressed to the Rector of Lodz University of Technology.
2. CV with contact details, including previous scientific achievements, specifically:
 - Scientific experience gained in Poland and/or abroad,
 - Participation in research projects,
 - Publications in JCR-listed journals,
 - Up to five most significant awards related to scientific research.
3. Personal questionnaire for applicants, Appendix 1.1 to the OTM-R Policy – Open, Transparent, and Merit-Based Recruitment Process.
4. Data protection clause, Appendix 1.2 to the OTM-R Policy.
5. Consent for personal data processing, Appendix 1.3 to the OTM-R Policy.
6. Copies/certificates of diplomas.
7. Other documents confirming qualifications.

5. Submission Details:

Applications should be submitted electronically to the following email address:

katarzyna.deptula@p.lodz.pl

Deadline: **May 17, 2026**

All required documents must be submitted in **PDF format** (the total size of the attachments should not exceed 10 MB).

Candidates who meet the formal requirements and project criteria may be invited for an interview. Information regarding a potential interview will be sent to applicants via email.

6. Contact Information:

For further details regarding the recruitment process, please contact the project leader:

Prof. Tomasz Czyszanowski

Email: tomasz.czyszanowski@p.lodz.pl

7. Expected Date of Selection Announcement: May 18, 2026

8. Additional information:

We have an internal procedure for reporting legal violations and taking follow-up actions at Lodz University of Technology.

PERSONAL INFORMATION FORM FOR APPLICANTS FOR EMPLOYMENT AT LODZ UNIVERSITY OF TECHNOLOGY

1. First name(s) and family name
2. Date of birth
3. Contact details
4. Education (where required for specific duties or jobs)

.....
(name of school and graduation date)

.....
(occupation, specialisation, degree, professional title, academic title)

5. Professional qualifications (where required for specific duties or jobs)

.....
(courses, postgraduate education, other forms of further development of knowledge and skills)

6. Employment history (where required for specific duties or jobs)

.....
(employment periods and jobs held at previous employers')

7. Additional personal information, where the right or the duty to disclose it exists under specific regulations

.....
(place and date)

.....
(signature of the candidate)

Data Privacy Statement for job candidates

1. The administrator of your data processed as part of the recruitment process is Lodz University of Technology (address: 90-924 Lodz, 116 Żeromskiego St., phone: +48 42 631 29 29), represented by the Rector as the employer.
2. At the Lodz University of Technology you can contact the Data Protection Officer at: iod@adm.p.lodz.pl phone: +48 42 631 20 39.
3. Lodz University of Technology will process your personal data to the extent indicated in the labor legislation for the purpose of the current recruitment procedure (Article 6(1)(b) of the GDPR), while other data, including contact data, on the basis of consent (Article 6(1)(a) of the GDPR), which may be revoked at any time.
4. Lodz University of Technology will process your personal data, also in subsequent recruitment of employees, if you give your consent (Article 6(1)(a) GDPR), which may be revoked at any time.
5. If the documents include data referred to in Article 9(1) of the GDPR, your consent to their processing will be required (Article 9(2)(a) of the GDPR), which may be revoked at any time. (Article 22 of the Labor Code and §1 of the Regulation of the Minister of Family, Labor and Social Policy of December 10, 2018 on employee records).
6. Personal data will be disclosed to persons acting under the authority of the controller and having access to personal data, processing them only on the instructions of the controller, unless required by European Union or Member State law.
7. Your data collected in the current recruitment process will be stored until the end of the recruitment process. In the case of your consent to the use of personal data for future recruitment, your data will be used until the end of the calendar year in which the recruitment process for which your application was submitted ended.
8. You have the right to:
 - a) the right to access your data and to receive a copy of it;
 - b) the right to rectify (correct) your personal data;
 - c) the right to restrict the processing of your personal data;
 - d) the right to delete your personal data;
 - e) the right to lodge a complaint with the President of the Personal Data Protection Office (to the address of the Personal Data Protection Office: 2 Stawki St., 00 - 193 Warsaw)

Information on data requirement: Your submitting personal data to the extent of Article 221 of the Labor Code is necessary to participate in the recruitment procedure. Your provision of other data is voluntary.
