

## FORM FOR EMPLOYERS

**INSTITUTION: AGH University of Science and Technology**

**DEPARTMENT: Faculty of Energy and Fuels, Department of Coal Chemistry and Environmental Sciences**

**CITY: Kraków**

**POSITION: Assistant** in a group of **research and teaching** employees

**DISCIPLINE: Chemical engineering**

**POSTED:**

**EXPIRES: 23.03.2021**

**WEBSITE: [www.agh.edu.pl](http://www.agh.edu.pl)**

**KEY WORDS: environmental protection, waste materials, circular economy, materials processing, materials modification, flotation, modelling and simulation of physicochemical processes**

**DESCRIPTION (field, expectations, comments, requirements):**

The competition is related to the implementation of research tasks in the field:

- Innovative solutions in the area of circular economy for raw materials and post-production waste, rational management of raw materials, including post-processing waste materials. Qualitative and structural studies on the impact of modification of the properties of waste materials in the grinding and flotation process in terms of their potential re-use.
- Publishing the results in scientific journals and presenting them at international conferences.

**The candidate should have experience in conducting research in a national or international team. Additionally, the candidate should have a fluent knowledge of English, confirmed by publications in that language, experience in presenting work at international conferences and completed internships. This position involves teaching at the academic level. Experience in this field and willingness to supervise master's and engineering theses is required.**

**Requirements:**

- PhD in technical sciences (environmental engineering, mining and energy or chemical engineering)
- experience in teaching,
- the candidate should have documented scientific achievements in the form of publications, reports and/or scientific and technical studies,
- participation in national and international scientific conferences,
- participation in the work of research teams, including cooperation with other national research centers and international cooperation,
- Skills of English enabling effective use of scientific and technical literature (level at least B-2).
- Exemplary ethical attitude ([www.agh.edu.pl](http://www.agh.edu.pl) Dokumenty „Kodeks Etyczny AGH”).

## **DOCUMENTS REQUIRED:**

When entering the application, the candidate should deliver:

1. Cover letter, CV and personal data questionnaire,
2. Copy of diplomas and other certificates confirming possessed qualifications,
3. Summary report including interests and scientific achievements, as well as completed internships,
4. Declaration of English ability,
5. Periodic evaluation sheet or opinion from previous place of work, and in the case of current graduates, opinion of the doctoral dissertation supervisor.

DOCUMENTS MUST BE SUBMITTED AT:

**The documents should be submitted in electronic form to the following address: [wpebiuro@agh.edu.pl](mailto:wpebiuro@agh.edu.pl) with an addendum: KCHWiNoS\_1 or to the Secretariat of the Faculty of Energy and Fuels, AGH, al. Mickiewicza 30, 30-059 Kraków, building D-4, 1st floor, room 119, phone: 12 617 20 66**

The AGH University will be the candidate's main place of employment.

*The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at ([www.agh.edu.pl/RODO](http://www.agh.edu.pl/RODO)).*

*The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
