

FORM FOR EMPLOYERS

INSTITUTION: AGH UNIVERSITY OF SCIENCE AND TECHNOLOGY

DEPARTMENT: INSTITUTE OF COMPUTER SCIENCE

CITY: KRAKOW

POSITION: RESEARCH ASSISTANT in a group of research workers

DISCIPLINE: INFORMATICS

POSTED:.....

EXPIRES: 24/05/2021

WEBSITE:.....

KEY WORDS:.....

DESCRIPTION (field, expectations, comments, requirements):

The position is to conduct research within the PRAGMA project, funded by the European Research Council (ERC; grant agreement 101002854). In particular, the project focuses on algorithms and computational complexity of multiwinner elections.

Requirements for the applicants:

- a master's degree in computer science, mathematics, or a related discipline,
- the above-mentioned degree must be recognized in Poland,
- scientific results (e.g., in the applicant's master's thesis or in research publications) in the areas of algorithms or computational complexity (results connected to computational social choice will be a strong plus),
- proficiency in the English language (at least on the B-2 level).

The successful candidate should either be a PhD student or should become a PhD student before being hired. If this requirement is not fulfilled by October 15th, 2021 then the results of the contest become void. The successful candidate is to be hired within the PRAGMA project, funded by the European Research Council (grant agreement 101002854) for the period of 1.5 years, with a possible extension.

DOCUMENTS REQUIRED

- a cover letter, curriculum vitae, personal questionnaire, names of two persons who agreed to write recommendation letters for the applicant (upon request from the hiring committee),
- a copy of the MSc diploma and other documents confirming the applicant's qualifications,
- a document confirming proficiency in the English language,
- a statement of purpose, including a short summary of scientific achievements

DOCUMENTS MUST BE SUBMITTED AT:

Documents must be submitted electronically by email to joannab@agh.edu.pl (scanned copies of signed printouts of the application documents are accepted), or physically in the Institute of Computer Science, Faculty of Informatics, Electronics, and Telecommunication, AGH University of Science and Technology, ul. Kawiora 21, 30-055 Krakow, Poland, building D-17, first floor, office 2.32.

The AGH University will be the candidate's main place of employment.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification.

Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
