

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Science and Technology

DEPARTMENT: Electrical Engineering, Automatics, Computer Science and Biomedical Engineering

CITY: Krakow

POSITION: Assistant in a group of research and teaching workers

DISCIPLINE: Automatics, Electronics and Electrical Engineering

POSTED:

EXPIRES:

WEBSITE:.....

KEY WORDS: electrical engineering, electrical power engineering, high voltage engineering.

DESCRIPTION (field, expectations, comments, requirements):

The Candidate is required to have specialized education, covering the knowledge, skills and competences resulting from the completion of master's studies in the field of Electrical Engineering, majoring in Electrical Power Engineering, in particular in the field of analysis of phenomena occurring in power systems and devices with the use of computer programs ATP-EMTP, MATLAB and COMSOL; knowledge and professional experience obtained in the field or environment of the professional power industry, confirmed by at least 5 years of employment in a position consistent with the education; theoretical and practical knowledge of the issues of control and supervision systems, protection automatics and communication systems of power stations. Expected are: scientific interests and predispositions to conduct research, including experimental research in the field of technology and high-voltage diagnostics of electrical equipment insulation systems as well as numerical analyzes and simulations with the use of computer programs. Personal qualities necessary for effective and conflict-free work in a research team and didactic classes with students are required. The Candidate must have a master's degree in engineering and be a participant in doctoral studies and have a doctoral dissertation initiated or be a doctoral student at a doctoral school after a positive mid-term evaluation, with completed modules preparing for work as an academic teacher (provided for in the doctoral school education program), or has initiated the PhD procedure. Documented knowledge of English at a level no lower than B2 is necessary.

DOCUMENTS REQUIRED

1. an application, CV, personal questionnaire and a declaration of consent to the processing of personal information in the recruitment process;
2. a document confirming the knowledge of the English at the level of at least B-2;
3. opinion of a researcher (habilitated or professor) about his predisposition to research and teaching work;
4. information on the research and professional activity to date;
5. copy of diplomas and other certificates confirming the qualifications held;
6. possible references or employment certificates from previous employers.

DOCUMENTS MUST BE SUBMITTED AT:

in electronic form to the address kee@agh.edu.pl

The AGH University will be the candidate's main place of employment.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification.

Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.

CONSENT TO PERSONAL DATA PROCESSING

(recruitment - employee)

By virtue of Article 7 of the Regulation of the European Parliament and Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC, hereinafter referred to as "GDPR", I hereby give my consent to the processing of my personal data other than the data mentioned in Article 22¹ § 1 of the Labour Code and contained in my CV and other application documents, and to the reproduction of my physical likeness for the purposes of recruitment and selection for the position of assistant in a group of research and teaching workers.

Additionally, I hereby represent that the request for consent has been presented in an explicit and clear form and that I have been informed about a possibility of withdrawing my consent at any time as well as about consent accountability. I have also been informed about the fact that the data are collected by **AGH University of Science and Technology, al. A. Mickiewicza 30, 30-059 Krakow**, the purpose of their collection, freedom of their disclosure, and the right to access and rectify the data.
