

## FORM FOR EMPLOYERS

INSTITUTION: AGH UNIVERSITY OF SCIENCE AND TECHNOLOGY

DEPARTMENT: FACULTY OF METALS ENGINEERING AND INDUSTRIAL COMPUTER SCIENCE

CITY: KRAKÓW

POSITION: ASSISTANT in a group of RESEARCH AND DIDACTIC WORKERS

DISCIPLINE: MATERIALS ENGINEERING

POSTED:.....

EXPIRES: .....2021-07-31.....

WEBSITE: [www.uci.agh.edu.pl/konkursy](http://www.uci.agh.edu.pl/konkursy)

KEY WORDS: MATERIALS SCIENCE, METAL FORMING, FINITE ELEMENT MODELING, POWDER METALLURGY

DESCRIPTION (field, expectations, comments, requirements):

- completed second-cycle studies in the field of Metallurgy (preferred specialisation: Metal Forming);
- active participation in PhD studies and initiated doctoral thesis; or a doctoral student at Doctoral School who has completed a mid-term evaluation with positive degree and completed modules that prepare for work as an academic teacher; or initiated doctoral thesis;
- qualifications and experience in conducting classes in Polish and English in the field of materials science and metallurgy, with particular emphasis on metal forming;
- knowledge of issues related to: thermo-mechanical processing of metals and their alloys, including titanium alloys, FEM numerical modelling of plastic working processes (forging, rolling), including modeling of the processes of forming of porous materials, taking into account changes in density;
- knowledge of issues related to powder metallurgy technology, including the ability to design and conduct mixing, pressing and sintering processes, as well as to conduct basic research on the properties of the obtained semi-finished products or products;
- knowledge of issues related to metallographic analysis (preparation of metallographic specimens, operation of an optical microscope and scanning electron microscope, microstructure analysis);
- practical knowledge of operating equipment for manufacturing and determining the strength properties of materials (mixers, furnaces, presses, testing machines, hardness testers);
- practical knowledge of CAD / CAM programs (AutoCad, Solid Works);
- experience in the implementation of research and development projects;
- research experience in the field of metal forming as well as powder metallurgy documented by publications from the JCR database;
- active participation in conferences and symposia;
- experience in research work with students as part of the activities of research groups;
- certificate of English language at the B2 level;
- exemplary ethical stance ([www.agh.edu.pl](http://www.agh.edu.pl) – Documents – others – "Kodeks Etyczny AGH").

DOCUMENTS REQUIRED:

1. Application, CV, personal questionnaire,
2. A document confirming the knowledge of the English language at a level of at least B-2,
3. Information about possible research or teaching achievements, list of publications,
4. Copies of diplomas and other documents confirming qualifications and professional experience; Supervisor's opinion or periodic evaluation report

DOCUMENTS MUST BE SUBMITTED AT: electronically at: [jglowacz@agh.edu.pl](mailto:jglowacz@agh.edu.pl) or at Secretary of the Faculty of Metals Engineering and Industrial Computer Science, AGH (30 Mickiewicza Ave, B5 bldng, IX floor, room 909 or 910)

The AGH University will be the candidate's main place of employment.

*The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at ([www.agh.edu.pl/RODO](http://www.agh.edu.pl/RODO)).*

*The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
