

## FORM FOR EMPLOYERS

INSTITUTION: **AGH University of Science and Technology, Faculty of Materials Science and Ceramics**

DEPARTMENT: **Department of Analytical Chemistry and Biochemistry**

CITY: **Krakow**

POSITION: **Research assistant** in a group of **Research** workers

DISCIPLINE: **chemistry**

POSTED:.....

EXPIRES: 30.07.2021

WEBSITE: <https://www.agh.edu.pl/biuletyn-informacji-publicznej/konkursy-dla-nauczycieli-akademickich/ogloszenia-o-konkursach/>

KEY WORDS: chemistry, analytical chemistry, electroanalysis, voltammetry, measurement procedures

### DESCRIPTION

**Applications are invited for a Research Assistant position in the Department of Analytical Chemistry and Biochemistry at the AGH University of Science and Technology. The appointed candidate under the supervision of Prof. Beata Paczosa-Bator will be involved in the conduction of the electrochemical research and the dissemination of study findings.**

### Main Duties:

- design, construction and application of electrochemical sensors
- planning experiments, developing and validating analytical procedures
- electroanalysis of drugs and vitamins
- preparation and submission of scientific research papers
- presentation of research results at scientific conferences

### REQUIREMENTS:

- PhD degree in chemical sciences in the discipline of chemistry
- knowledge and skill of practical use of modern techniques of chemical instrumental analysis, ability to use chemometric tools and programs used in signal processing and interpretation of measurement data
- in-depth knowledge of electrochemical methods, in particular voltammetry and chronopotentiometry
- experience in planning experiments, developing and validating analytical procedures
- experience in the field of electroanalysis of active substances, drugs and substances from the groups of hormones, steroids and vitamins
- experience in preparing drug samples and environmental samples for analysis
- knowledge and experience in conducting classical microbiological cultivation, working with biological material and tissue cultures
- completed scientific internship of at least 1.5 years
- scientific achievements in the field of the research topics mentioned, supported by at least 15 scientific publications in journals indexed in the JCR database (at least 10 times as the first author; Hirsch index at least 7)
- active participation in scientific life expressed by participation in research projects and the presentation of research results at national and international scientific conferences
- experience in the implementation of research or research and development projects
- knowledge of EAGRAP, EAQt and Origin
- knowledge of the English language at a level of at least B-2, enabling fluent use of scientific literature
- good manners
- compliance with generally accepted ethical standards

DOCUMENTS REQUIRED:

- 1. application, CV, personal questionnaire**
- 2. copy of the university diploma**
- 3. document confirming the award of the PhD degree**
- 4. self-report on scientific and didactic activity**
- 5. list of publications, citation index according to the Scopus or WoS database.**

DOCUMENTS MUST BE SUBMITTED AT:

**Dean's Office of Faculty of Materials Science and Ceramics, AGH UST**  
**al. Mickiewicza 30, 30-059 Krakow, Poland, bldg. B-8, room 0.24**  
**e-mail: imic@agh.edu.pl**

The AGH University will be the candidate's main place of employment.

*The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at ([www.agh.edu.pl/RODO](http://www.agh.edu.pl/RODO)).*

*The University reserves the right not to settle the competition without providing any reason or justification.*

*Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
