

FORM FOR EMPLOYERS

INSTITUTION: **AGH University of Science and Technology, Faculty of Materials Science and Ceramics**

DEPARTMENT: **Department of Inorganic Chemistry**

CITY: **Krakow**

POSITION: **Research and teaching assistant** in a group of **Academic** workers

DISCIPLINE: **Materials engineering**

POSTED:

EXPIRES: **5.11.2021**

WEBSITE: *<https://www.agh.edu.pl/biuletyn-informacji-publicznej/konkursy-dla-nauczycieli-akademickich/ogloszenia-o-konkursach/>*

KEY WORDS: material engineering, thermoelectric materials, composite materials, measurements of thermal properties, measurements of electrical properties

DESCRIPTION

Applications are invited for a Research and Teaching Assistant position in the Department of Inorganic Chemistry at the AGH University of Science and Technology. The appointed candidate under the supervision of Prof. Krzysztof Wojciechowski will be involved in the conduction of the research on thermoelectric materials, dissemination of study findings, and conducting didactic classes in the field of chemical sciences.

Main Duties:

- **synthesis, treatment and analysis of thermoelectric materials**
- **planning experiments, developing and validating obtained results**
- **preparation and submission of scientific research papers**
- **presentation of research results at scientific conferences**
- **independent conduction of didactic classes in the field of chemical sciences**

REQUIREMENTS:

- **doctoral degree in engineering and technical sciences in the discipline of materials science, or two positive reviews of the doctoral dissertation**
- **knowledge of methods of measuring thermal and electrical properties of materials, in particular thermoelectric materials**
- **experience in planning experiments, developing and validating analytical procedures**
- **competences to work in team as part of national and international research projects**
- **internship at a foreign research unit**
- **active participation in scientific conferences**
- **significant publication achievements**
- **ability to independently conduct didactic classes in the field of chemical sciences**
- **completed pedagogical course**
- **fluent knowledge of the Polish language**
- **knowledge of the English language at a level of at least B-2, enabling fluent use of scientific literature**
- **immaculate manners**
- **adherence to generally accepted ethical standards**

DOCUMENTS REQUIRED:

1. application, CV, personal questionnaire

- 2. copy of the university diploma**
- 3. document confirming the award of the PhD degree or a confirmation of obtaining two positive reviews of the doctoral dissertation**
- 4. report on scientific and didactic activity**
- 5. list of publications, citation index according to the Scopus or WoS database.**

DOCUMENTS MUST BE SUBMITTED AT:

**Dean's Office of Faculty of Materials Science and Ceramics, AGH UST
al. Mickiewicza 30, 30-059 Krakow, Poland, bldg. B-8, room 0.24
e-mail: imic@agh.edu.pl**

The AGH University will be the candidate's main place of employment.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification.

Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
