

## **FORM FOR EMPLOYERS**

INSTITUTION: AGH University of Science and Technology in Krakow

DEPARTMENT: Space Technology Centre AGH UST

CITY: KRAKOW

POSITION: adjunct (PostDoc) in a group of research workers within the Beyond UNIVERSEH project

DISCIPLINE: Mechanical engineering

POSTED:

EXPIRES: 10.12.2021, 24:00 - Europe/Brussels

WEBSITE: [www.agh.edu.pl](http://www.agh.edu.pl)

KEY WORDS: Space technology, international collaboration, international projects, innovation, research projects management, IPR

DESCRIPTION (field, expectations, comments, requirements):

We are offering a position of an adjunct in a group of research workers in the Space Technology Centre, a unit of the AGH University of Science and Technology within the Beyond UNIVERSEH project

FIELD: Mechanical engineering, Space technology

The Candidate should meet the conditions defined on the Act of 20 July 2018 – On Higher Education and Science (i.e. the 2018 Journal of Laws, item 1668 with latter amendments). The work conditions and salary are specified in the Act.

The Beyond UNIVERSEH project, awarded under the H2020 program, brings together European partners with a common goal: to develop best practices in space research in the context of its connections with other fields of science, as well as social challenges.

Adjunct envisaged to be employed on this project will participate in the work of the team, with particular emphasis on conducting research and organizing international research teams together with project partners. He/She will also actively contribute to the development of an innovation strategy and protection of intellectual property generated through joint projects of project partners.

Requirements:

- Ability to conduct scientific research in the field of space technologies
- Ability to work in an international research team
- Ability to organize international research teams
- Having a minimum doctoral degree obtained within 4 years prior to submitting the application for the position of adjunct

- Fluency in spoken and written English (knowledge of a second language will be an advantage - German, French, Swedish)
- Publication of at least 2 scientific papers in journals from the JCR list
- Active participation in conferences and symposia

We offer a part time employment (0,5 FTE) for a period of 30 months. Envisaged starting date is March 1, 2022 with August 31, 2024 as end date.

The Candidate must meet the following requirements defined in the Higher Education Act:

1. they must hold the qualifications defined in the Act,
2. they must exercise full legal capacity,
3. they have not been convicted for a premeditated offence, 4. they possess full public rights.

**DOCUMENTS REQUIRED:**

1. CV with your consent to process your data in the recruitment process,
2. cover letter,
3. a document proving your skills in English (at least at B2 or equivalent),
4. a list of your scientific achievements (a list of publications: books, articles, papers published in conference proceedings, etc., a list of research studies and their practical applications, patents, etc.), a list of your organisational achievements (a list of your past and present positions at university or in other institutions),
5. references for your scientific experience.

The aforementioned required documents must be printed, signed, scanned and sent by electronic means in PDF format.

DOCUMENTS MUST BE SUBMITTED AT: **by electronic means to the address:**  
[ctk@agh.edu.pl](mailto:ctk@agh.edu.pl)

**The AGH University will be the candidate's main place of employment.**

*The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at ([www.agh.edu.pl/RODO](http://www.agh.edu.pl/RODO)).*

***The University reserves the right to invite selected candidates (or candidate) to an interview, which will be selected on the basis of an analysis of application documents.***

*The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
