

## FORM FOR EMPLOYERS

INSTITUTION: AGH University of Science and Technology

DEPARTMENT: Faculty of Energy and Fuels

CITY: Krakow

POSITION: assistant professor in a group of academic workers

DISCIPLINE: environmental engineering, mining and energy, materials engineering, chemical engineering

POSTED:

EXPIRES: 18.05.2022

WEBSITE: [www.agh.edu.pl](http://www.agh.edu.pl)

KEY WORDS: materials engineering, energy, solid state chemistry, synthesis of ceramic materials

DESCRIPTION (field, expectations, comments, requirements):

The competition is related to research in the area of:

- new cathode materials for electrochemical energy storage
- preparation of publications of results in journals and their presentation at international conferences.
- The candidate should have a doctoral degree in engineering and technical sciences. It should have the scientific achievements in the field of the characteristics of the physicochemical properties of materials, documented in the form of publications in journals from the JCR database. He should have knowledge in the field of solid state chemistry and experience in the synthesis of transition metal oxides. Additionally, the candidate should have a good command of the English language to be able to publish in that language. A willingness to further scientific development and the ability to solve any problems are also required.

Requirements:

- a doctoral degree in engineering and technical, in the discipline of environmental engineering, mining and energy; materials engineering; chemical engineering
- documented scientific achievements (publications in journals from the JCR database) in the field of the physicochemical properties of materials
- knowledge of XRD, SEM, TEM research techniques
- knowledge of the English language at the level of at least B-2
- organizational achievements
- active participation in conferences and symposia
- willingness to learn and develop

DOCUMENTS REQUIRED:

- a document confirming the possession of a doctorate in engineering and technical sciences,
- application,
- CV,
- personal questionnaire,
- a copy of diplomas and other certificates confirming the qualifications held,

- information on scientific activities.

The candidate must fulfil the following requirements defined in the Polish Law on Higher Education:

- possesses qualifications defined in the Law,
- has full legal capacity,
- has not been punished by final court judgement for intentional offence,
- enjoys full public rights.

DOCUMENTS MUST BE SUBMITTED AT:

The documents should be submitted in electronic form to the following address [wpebiuro@agh.edu.pl](mailto:wpebiuro@agh.edu.pl) or to the Secretariat of the Office of the Dean of the Faculty of Energy and Fuels, AGH, al. Mickiewicza 30, 30-059 Krakow, building D-4, 1st floor, room 119, phone: 12 617 20 66

The AGH University will be/will be not the candidate's main place of employment.

*The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.*

*The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at ([www.agh.edu.pl/RODO](http://www.agh.edu.pl/RODO)).*

*The University reserves the right not to settle the competition without providing any reason or justification.*

*Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.*
