

FORM FOR EMPLOYERS

INSTITUTION: AGH University of Science and Technology

DEPARTMENT: Faculty of Electrical Engineering, Automatics, Computer Science and Biomedical Engineering,
Department of Applied Computer Science

CITY: Krakow

POSITION: university professor in the group of scientific and research workers

DISCIPLINE: Computer Science

EXPIRES: 8/09/2022

KEY WORDS: computer science, machine learning, pattern recognition, computer graphics

DESCRIPTION (field, expectations, comments, requirements):

We are looking for an experienced professor in the field of technical computer science and telecommunications or computer science. Experience in conducting research in IT is required, in particular programming experience in commercial companies. Experience in administrative work at a university, including managerial functions, is required. Demonstrated experience in pattern recognition, machine learning and computer graphics is required. Scientific achievements in the area of computer science, confirmed by publications in prestigious scientific journals or in reviewed international conferences materials or in scientific monograph or chapter in a book, included in the Scientific Research Evaluation. Significant scientific achievements carried out in cooperation with other universities or scientific institutions, in particular foreign ones. Activities in scientific and research works (management of universities projects and grants or research teams or their substantive execution). Experience in academic level teaching. Fluency in Polish and spoken and written English is essential.

DOCUMENTS REQUIRED

- application, CV, personal questionnaire,
- a copy of the diploma of habilitated doctor,
- list of publications,
- a document confirming the knowledge of the English language at a level of at least B-2, for candidates who are not Polish citizens a document confirming the knowledge of the Polish language at a level of at least C-1,
- a detailed description of scientific and organizational work.

DOCUMENTS MUST BE SUBMITTED AT:

Department of Applied Computer Science Office, Faculty of Electrical Engineering, Automatics, Computer Science and Biomedical Engineering AGH UST (30-059 Krakow, Al. Mickiewicza 30, C2, room 406) or kis@agh.edu.pl

The candidate must fulfil the following requirements defined in the Polish Law on Higher Education:

- possesses qualifications defined in the Law,
- has full legal capacity,
- has not been punished by final court judgement for intentional offence,
- enjoys full public rights.

The AGH University will be the candidate's main place of employment.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification. Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
