

FORM FOR EMPLOYERS

INSTITUTION: **AGH University of Science and Technology**

DEPARTMENT: **Faculty of Materials Science and Ceramics, Department of Ceramics and Refractory Materials**

CITY: **Cracow**

POSITION: **research assistant at the Department of Ceramics and Refractory Materials**

DISCIPLINE: **Materials Engineering/ Chemical Engineering**

EXPIRES: **2. XII 2022**

WEBSITE: <https://bip.malopolska.pl/agh,m,404412,2022.html>

KEY WORDS: Surface modifications, materials for medical applications, sol-gel method, antibacterial coatings, nanoparticles, nanotubes

DESCRIPTION (field, expectations, comments, requirements):

- completed master's studies in Materials Science with a specialization in Biomaterials and Composites;
- AGH Doctoral School participant with a positive Mid-term Evaluation result;
- documented scientific achievements in the field of bioactive glasses;
- at least 3 articles on topics related to the bioactivity of glasses;
- knowledge of the following research methods: SEM-EDS, XRD, FTiR, Raman, XRF, DSC, DTA, TG-DTG, BET, UV-VIS, NMR, XAS, determination of surface roughness and wettability, AFM;
- ability to prepare microsections;
- experience in synthesis of glasses and coatings by means of sol-gel method;
- experience in conducting scientific research gained through participation in research projects (NCN or NCBiR or international research projects);
- ability to work in a team;
- strong motivation for research work;
- teaching experience in the area of raw materials is welcome;
- documented knowledge of English, at least at B-2 level;
- proficiency in Polish, both spoken and written;
- possessing an exemplary ethical attitude (in accordance with www.agh.edu.pl – documents – „Ethical Code”).

DOCUMENTS REQUIRED

- application, CV, personal questionnaire;
- a certified copy of the university diploma;
- a certificate confirming the knowledge of English at the B2 level;
- a list of publications.

DOCUMENTS MUST BE SUBMITTED AT: **Electronically to the address imic@agh.edu.pl as well as ziabka@agh.edu.pl or to the Secretariat of the Faculty of Materials Science and Ceramics, building no. B-8, ground floor, room 024, ul. Akademicka 2, 30-059 Cracow.**

The AGH University will be the candidate's main place of employment.
The proposed full-time employment for a period of 33 months. Envisaged starting date is 01/01/2023.

The Candidate must meet the following requirements defined in the Higher Education Act:

- they must hold the qualifications defined in the Act;
- they must exercise full legal capacity;
- they have not been convicted for a premeditated offence;
- they possess full public rights;
- they were not previously employed at AGH under a contract of employment.

The AGH University of Science and Technology does not require you to provide any information or data other than those resulting from the applicable law (name/names, surname, date of birth, contact details, education, professional qualifications and employment history). However, if you choose to include your photograph or any other information, please fill in and attach this statement of consent to the processing of personal data, which constitutes an attachment to this information.

The controller of your personal data processed in order to carry out the recruitment process for the above-mentioned position is the Stanisław Staszic AGH University of Science and Technology in Krakow, al. A. Mickiewicza 30, 30-059 Krakow. You can read the full information concerning the processing of your personal data on the AGH University of Science and Technology's website after going to the "Protection of personal data" tab at (www.agh.edu.pl/RODO).

The University reserves the right not to settle the competition without providing any reason or justification.

Winning the competition is not tantamount to ensuring the candidate's employment. The result of the competition serves solely as a recommendation to the Rector in this regard. The final decision concerning the employment will be made by the Rector.
